- Hon. Sec's address: II Tower Avenue, N. 20.

the best racks. If you are financial, and want a charge of rack, be at the club on 4th September. If unable to attend, see the President, C. Williams, or the secretary, H. de la Rue. This re-allotment of racks will take place in September every year in future, and financial members will receive preference. If you wish to retain your present rack, it will be necessary for you to make financial arrangements with the treasurer or C. Williams.

Members had a pleasant surprise last Saturday, when a visit was paid by Bert Denton and family to the Clubhouse. Bert is on holiday leave from West Australia, and sends his best wishes to all old friends.

Echos of Saturdays Foot.
 Who was hit below the belt with the ball?
 Who tried to stop the ball with his head?
 Who was the player who came in from behind with his knees up?
 Has a certain member been given monkey glands? The way he dashed about at the game and then had to push his bike up the road???????

Whose was the car that had to be pushed along the road to make it start?
 Don't forget

- To pay your subs.
- To enter for the Young & Jackson Eights.
- To get your tickets for the Canoe Ball NOW
- To be at the Smoke Night.
- To attend the Club every Sunday morning.
- To send along any news for this scandal sheet by the 25th of each month.

H. de la Rue,
 II Tower Ave,
 Alphington.

AUGUST ISSUE.

Dear Fellow Member,

The day of wonders is not yet over, for believe it or not, here is the August circular right on time.

As you will see by looking at the front page, Officers were elected as shown thereon at the Annual Meeting. Keep this for reference for the 1937-38 season.

The Treasurer's address is shown as we know that you will be needing it so as to pay up your subs for this season. Members are reminded that all subs are now due and payable. A number of members have been overlooking the matter of their subs to the Club and are advised that this matter is being placed in the hands of the Club's solicitor for attention.

Here are a few dates that you want to mark on the calendar so that you won't miss them:

Sat. 7th Aug: Young Jackson Combination
Eights for Valuable trophies
7th Aug: Canoe Ball at Victoria Park.
Sat 21st Aug: Annual Smoke Night.

Lets see you at the Club on Sunday mornings: already there is a Light weight four in training for the Novice Regatta. Then the time trial is to be commenced again on Sunday mornings, and there will be a trophy. Norm Oke has donated a trophy for a points competition. Come down and find out more about these affairs

The football match against Preston rowers has been postponed indefinitely. When the date is fixed for this, it will be posted in the Dressing room.

The Smoke Night Committee say that this year's function will eclipse all others, and as the price is still the same, it should not be missed. Get your

ticket early and promise yourself a good time. This will also be a re-union of all past members, many that were unable to come last year have promised to be there this time. All returns are required by 16th Aug

Any members who have changed their address in the past twelve months are asked to notify the Secretary at once.

Both clubs start off the season with new Secretaries. There are also a number of changes in the committees. Members are asked to give their support to these new officers and to assist them in their duties. Any ideas or suggestions are always welcome so don't be afraid of letting the committee know what you think.

A Social Committee have been appointed and we believe that they are going to make things hum this year, so give your attendance to the functions that they arrange for your benefit. The committee are:

F. Allen, G. Atkinson, J. Bates, W. L. Yall
Bob Elliott, F. Miller and L. Stevens.

Any member who has ideas of going to the Canoe Ball is advised to secure his tickets this week end as all sales of these will close on Monday 2nd August. This is to be held at the Banquet Hall of the Victoria Palace, Lit. Collins Street, and tickets are 11/- double, dancing being 8 p.m. to 1 a.m. Tickets are available from A. Rouse, L. Stevens, and H. de la Rue. Remember no tickets will be available after Monday and no admission will be possible at the door without a ticket. All tickets are to be paid for by Monday, too.

Canoeists are advised that a re-allotment of canoe racks will take place on Saturday 4th September. Those members who are financial will receive preference of
