ALL OUR

MEMBERS

A

HAPPY

CHRISTMAS.

XMAS ISSUE.

Dear Fellow Member,

Gosh, how time flies, and here we are getting around again to the festive season so we take this opportunity of wishing you each and everyone a Merry Christmas and a Bright and Happy New Year.

Next Saturday, 14th inst. is a very busy day, for the rowing enthusiasts, there is the racing at Preston Rowing Club sheds at Edwardes Park Lake, Reservoir. We have a crew entered and have hopes of seeing them gain a victory.

On the same afternoon, canoeists will be competing in the three mile singles race starting just below the Ivamhoe swimming sheds, and finishing at our own Clubhouse.

Getting back to the Preston show, we hear that a very good afternoon is on the books for all those who attend. Both competitors and non-competitors can look forward to this afternoon.

And while we think about it, what has happened to a number of our members who used to attend so regularly on Sunday mornings? These attendances have fallen off badly, lets return to normal, and see you at the Club on Sunday morning.

Canoeists will be excused because they have a picnic on, and will be leaving the Clubhouse about 10-20 a.m. All members are invited to join in and have a good time on Sunday.

There is room for more crews out on the river on Sunday mornings too, this action seems to be falling off with the coming of Christmas. Lets see a few crews out for this Sunday mornings, and finish off with a social call at the kitchen.

What would be wrong with a big get-together at the Club on the next two Sunday mornings, this is all that we have left before the holidays.

Further canoe events are two mile singles at Burnley on 4th January, and the Essendon Regatta on the 18th. Events are: Novice, Maiden, and Senior singles, Novice pairs and Thompson Fours.

On 1st February, the Maribyrnong Henley will be held, and a special appeal is sent out to canoeists to make a big social day on this occasion. Yes, take your canoe and partner over and compete in the canoe parade, there is a trophy of two guineas. Paper decorations can be most effective and also cheap. Give it a quiet thought. The annual week end trip of the Rowing Club will now be held early in the New Year, watch for the date, and get further particulars at the Clubhouse any Sunday morning.

Our Treasurer informs me that there could not have been many members who were on the winner of the Cups, as he has not had to sharpen his pencil to make out receipts. In fact the season is now getting around and there are still some members who have not yet squared up their subs of last season. How about being a good sport as well as a good member and cough up that few bob that is still owing on your subs. Your club has many accounts to meet and finance is necessary to cover these expenses. For your information the Hon. Treasurer states that your account is:

£

May we have those subs soon.
