WELCOME MESSAGE FOR SYDNEY INTERNATIONAL ROWING REGATTA

On behalf of the NSW Government, welcome to the Sydney International Rowing Regatta: Australia's premier rowing event.

This is the fifth time the event has been held at the Sydney International Regatta Centre in Penrith, and has been secured by the NSW Government through its tourism and major events agency, Destination NSW.

This week will see Australia's best rowers going head-to-head here in Western Sydney in prestigious races such as the King's and Queen's Cups Interstate Regatta, as well as the Australian National and Schools Open Championships.

The event attracts visitors and competitors from around the country, making an important contribution to the local visitor economy. I encourage visitors and competitors to take some time to experience everything Western Sydney has to offer, from restaurants and shops to adventure activities and spectacular scenery in the nearby Blue Mountains.

I extend my best wishes to all involved in the Sydney International Rowing Regatta, which is sure to be a thrilling week of quality competition in Sydney, Australia's major sporting events capital.

Rowing Australia (RA) is the national governing body for the sport of rowing.

Rowing is one of the Australia's oldest and most successful sports, recognised as much for its tradition and appeal to athletes of all ages as for its fantastic health benefits. Rowing is a cornerstone Olympic sport and Australian rowing has a long and proud history of success, consistently returning multiple medals at major international competitions.

Rowing is a part of Australia's national sporting and cultural heritage, with international success dating back to 1867 when Edward "Ned" Trickett won Australia's first ever sporting World Championship. Rowing continues to play an important part in Australia's sporting culture, providing safe, fun and healthy opportunities for Australians of all ages and abilities to participate in a sport that provides unparalleled health benefits.

Rowing is a sport for life, accessible to people of all ages, genders, fitness and skill levels, and currently enjoyed by over 60,000 participants and 25,000 active members ranging from young rowers at school through to those at universities and in the wider community right through to masters rowing.

Rowing Australia member associations operate in seven states with over 185 schools and 156 clubs offering rowing programs.

MESSAGE FROM PRESIDENT OF ROWING AUSTRALIA

On behalf of the Board and Council of Rowing Australia, it is with great pleasure that I welcome athletes, coaches, sponsors, officials, guests and supporters to the 2017 Aon Sydney International Rowing Regatta.

It is a great honour for Rowing Australia to once again host this magnificent event, the pinnacle to the domestic rowing calendar in Australia. We are delighted to welcome back teams from Vanuatu and Hong Kong to compete this year, it will be fantastic to have a variety of local and international rowers in action at the Sydney International Regatta Centre and we hope that everyone competing are warmly welcomed and enjoy the racing and facilities.

The number of events continues to grow at the regatta, when we started in 2013 it was 110 events, while as of last year we had 128 events with over 1700 competitors and over 26,000 spectators attending across the whole week. This year has also seen us welcome our new presenting partner, Aon Insurance, who have signed up to a four-year partnership with Rowing Australia and the Sydney International Rowing Regatta. We welcome them to the rowing family and look forward to working with them over the coming years as we build and develop the Championships further. With their support we are hosting a number of new initiatives throughout the week, including daily Breakfast Briefings, Stakeholder Updates and also a Schools' Barbecue.

The weeklong competition will of course see both the Australian Open and School Championships, as well as the King's and Queen's Cups Interstate Regatta. As the King's Cup runs towards its centenary celebrations in 2019, the whole of Australia is not doubt very excited to see what the racing holds in the hotly contested Interstate Regatta which brings out the best in interstate rowing rivalry.

As always, we thank the NSW Government for its continued support of the event and look forward to continue developing the Australian Rowing Championships into a significant and successful event within the Australian sporting calendar. We hope that more and more rowers and their many supporters will continue to travel to NSW in order to visit and race in Penrith - we all benefit jointly from this partnership.

Sincere thanks must also be extended to the Rowing Australia staff for their expertise and professionalism in working tirelessly to organise this highly successful and enjoyable event.

Finally, an event such as the SIRR would simply not be possible without the steadfast support of the army of volunteers whose enthusiasm and tireless efforts epitomise the great spirit of cooperation that exists within the Australian rowing community. We have had a record number of volunteers sign up this year and I thank you all for your invaluable assistance for the pinnacle event in Australia's rowing calendar.

I would like to wish every participant the very best of luck for their races throughout the week and hope all the spectators have a wonderful week watching the competition. I look forward to witnessing some great racing and enjoying the spectacle of the 2017 Aon Sydney International Rowing Regatta.

THE ROAD TO TOKYO - CampaignNumberOne

CampaignNumberOne was designed by Rowing Australia following input from our stakeholders to improve the prospects for Australian rowers. It is focused on giving our elite rowers the best opportunity for success on the international stage whilst providing certainty and support to develop in other areas. This follows a period of time where other nations, notably Great Britain and New Zealand, were performing at a consistently higher level than our rowers.

There are two key elements to CampaignNumberOne. Firstly, a bespoke state-based model to encourage development and elite pathways from juniors to senior rowers in each state. Secondly, the establishment of two National Training Centres for Women and Men, in Penrith and Canberra respectively, that would provide a world class training and competitive environment for our most elite rowers.

We have made significant progress in a short time with over 30 rowers being based in the National Training Centres for about three months. We have also been successful in retaining a higher proportion of Rio Olympic team rowers into the program than we did at the same time after London in 2012. Rowing Australia's Performance Director is also working closely with other Rio Olympic rowers who will be transitioning to the NTCs in the next year.

The rowers in NTCs, led by our Head Coaches Ian Wright and John Keogh, and their teams, are setting new standards in relation to the volume, intensity and competitiveness of preparation compared to what we have seen in past. Bringing our elite athletes together with world class coaches and financial support is only the start.

Many of these rowers will be competing throughout the Sydney International Rowing Regatta representing their Club and their State.

We look forward to sharing further details on the progress of our rowers throughout the year as we head into the international season.

FOUR REGATTAS IN ONE EVENT

The 2017 AON Sydney International Regatta combines four regattas into the nation's premier rowing event - the King's and Queen's Cup Interstate Regatta, the Australian Open Rowing Championships, the Australian Open Schools Rowing Championships and the Sydney International Rowing Regatta Sprints. Competitors of all ages will contest more than 200 events in almost 600 races over seven days of competition.

The King's and Queen's Cup Interstate Regatta is the 'blue ribbon' of Australian rowing limited to one representative crew or sculler in each of the ten Interstate events.

The Australian Open Rowing Championships and Australian Open Schools Championships are open to all competitors who are members of clubs or schools affiliated to Member Associations or members of clubs or schools affiliated to other National Rowing Federations recognised by Rowing Australia. On this occasion we are pleased to welcome competitors from Hong Kong and Vanuatu.

These events will be conducted over the 2000 metre course in an 8 lane progression of heats, repechages, semi-finals and final.

The Sydney International Rowing Regatta Sprints are open to competitors in the Open, School, University and Masters categories competing over a 'flying' 500 metres.

THE ROWING AUSTRALIA CUP

The Rowing Australia Cup will be presented to the Member Association which secures the highest overall score for events conducted in the Interstate Regatta. States will be awarded points in each event on the following basis:

| | |
|---------------|----------|
| First place | 8 points |
| Second place | 6 points |
| Third place | 5 points |
| Fourth place | 4 points |
| Fifth place | 3 points |
| Sixth place | 2 points |
| Seventh place | 1 point |

CLUB POINTS SCORE

A 'club points score' will be in operation in addition to the medal table, for all events within the Australian Open Rowing Championships (not Open Schools Championships). The points score will be published on the event website - points will be awarded on the following basis:

| Boat | First | Second | Third |
|-------------------------|-------|--------|-------|
| Eight (8+) | 24 | 18 | 12 |
| Fours (4-/+)/Quad (4x) | 16 | 12 | 8 |

HISTORY OF THE KING'S and QUEEN'S CUP REGATTAS

THE KING'S CUP (INTERSTATE MEN'S COXED EIGHT) Inter-colonial racing in eight-oared boats commenced in 1878 when the Victorian Rowing Association invited New South Wales oarsmen from the Sydney and the Mercantile clubs to boat crews for a race on the lower Yarra River over about four miles. Since 1921 the crews have competed for the King's Cup. The trophy had been won by a First Australian Imperial Force crew at the Royal Peace Regatta held in London in 1919 and was provided by King George V and presented to Captain H. Disher on behalf of the victorious crew by Princess Arthur of Connaught. In time, and in against dogged resistance from the Australian War Memorial, the Victorian Rowing Association petitioned the King to express his intention for the Cup, and at his command it became the perennial trophy to be presented to the winning state representative men's eight at the annual Australian Rowing Championships.

THE QUEEN'S CUP (INTERSTATE WOMEN'S COXED EIGHT) The premier interstate event for women was the ULVA trophy which from 1920 till 1998 was a fours event. The trophy had first been presented by the United Licensed Victuallers Association (ULVA) of Queensland, and is affectionately known as Bertha. In 1999 the women's interstate race was changed to an event for VIIIIs. In 2003, the trophy became officially known as the Queen Elizabeth II Trophy, or the Queens Cup. The original ULVA trophy remains the perpetual trophy.

THE PRESIDENT'S CUP (INTERSTATE MEN'S SINGLE SCULL) An intercolonial sculling race between New South Wales and Victoria was first held in 1868 and then annually from 1895 with Queensland also racing. Tasmania has consistently been represented since 1903. South Australia and West Australia have entered scullers with some regularity but not consistently until the 1960s. The first President of the Australian Amateur Rowing Council, Mr E.C. Watchorn, donated the President's Cup in 1925 as the perpetual trophy for the annual Australian Interstate Single Sculling Championship.

THE NELL SLATTER TROPHY (INTERSTATE WOMEN'S SINGLE SCULL) The first interstate championship for the Women's Single Scull was not conducted until 1963 in Brisbane and has continued annually since that date. The Nell Slatter Trophy was presented by the Queensland Women's Rowing Association in 1963 to be the perpetual trophy for the event as a tribute to the then Queensland President Nell Slatter.

THE PENRITH CUP (INTERSTATE MEN'S LIGHTWEIGHT FOUR) The Interstate Lightweight Four Championship was introduced in 1958 after a long history of lightweight rowing within Australia. The Penrith Cup was presented to the Australian Amateur Rowing Council in 1958 by the Penrith City Council as the perpetual trophy for the event. The event was the pinnacle of a lightweight oarsman's career until 1974 when the first FISA Championships were conducted.

THE VICTORIA CUP (INTERSTATE WOMEN'S LIGHTWEIGHT QUAD) The first Women's Interstate Lightweight Four-Oared Championship was contested on the Yarra River in Melbourne on 28th April, 1968. The Victoria Cup, presented by the Victorian Ladies' Rowing Association, is the perpetual trophy for this event. In 1999, the change was made from coxless four to quad scull as most lightweight women's rowing was in sculling boats due to the introduction of an Olympic women's lightweight double scull.

THE NOEL F WILKINSON TROPHY (INTERSTATE MEN'S YOUTH EIGHT) The first Championship was conducted in Victoria in 1974, and in that same year, the Australian Rowing Council accepted an offer by Noel Wilkinson to provide a perpetual trophy for the event. Noel was a great fundraiser for both Australian rowing teams and Australian Olympic teams. He was also a long serving Treasurer of the Council.

THE BICENTENNIAL CUP (INTERSTATE WOMEN'S YOUTH EIGHT) A women's youth event was commenced in 1988 (the year of Australia's Bicentenary) in coxed fours. The event became an eight oared event in 1994 due the continued growth in women's rowing. The Cup was presented by the NSW Rowing Association.

LTA MEN'S SINGLE SCULL

The Legs, Trunk and Arms Men's Single Scull made its debut in the Interstate Regatta in 2016. In its inaugural year it was won by Kevin du Toit of New South Wales. The 2017 race results will contribute to the overall States' point scores and help to decide who may win the Rowing Australia Cup at the conclusion of the Regatta.

LTA WOMEN' SINGLE SCULL

The Legs, Trunk and Arms Women's Single Scull made its debut in the Interstate Regatta in 2016. In its inaugural year it was won by Paralympian Kate Murdoch of New South Wales. The 2017 race results will contribute to the overall States' point scores and help to decide who may win the Rowing Australia Cup at the conclusion of the Regatta.
