WELCOME FROM THE NSW GOVERNMENT

Welcome to Penrith, Sydney's hub for outdoor adventure and adrenaline-charged activities and the fitting home of the 2019 Aon Sydney International Rowing Regatta.

This week-long regatta is a great celebration of athletic excellence, team work, camaraderie and leadership with the country's top rowers competing in over 100 events.

The SIRR is a significant event for Western Sydney. Since its inception in 2013 the event has attracted nearly 100,000 attendees from around Australia and the globe, generating tens of millions of dollars in overnight visitor expenditure for NSW.

The NSW Government, through its tourism and major events agency Destination NSW, is proud to support this dynamic and much-loved event for 2019, and as recently announced again in 2020.

Comprising a full competition schedule, the regatta welcomes athletes of all ages for the prestigious Australian Open Schools Rowing Championship, Australian Open Rowing Championships and more.

In 2019, the esteemed King's Cup celebrates its centenary – a wonderful milestone for the event and the sport too - and will be marked with a special breakfast during this year's festivities.

Penrith has hosted the regatta since its establishment and the local community embraces visiting competitors, officials, volunteers and supporters each year.

Just an hour from Sydney's CBD and a gateway to the World Heritage-listed Blue Mountains, Penrith is the perfect place to begin exploring NSW.

Rowing Australia (RA) is the national governing body for the sport of rowing.

Rowing is one of the Australia's oldest and most successful sports, recognised as much for its tradition and appeal to athletes of all ages as for its fantastic health benefits. Rowing is a cornerstone Olympic sport and Australian rowing has a long and proud history of success, consistently returning multiple medals at major international competitions.

Rowing is a part of Australia's national sporting and cultural heritage, with international success dating back to 1867 when Edward "Ned" Trickett won Australia's first ever sporting World Championship. Rowing continues to play an important part in Australia's sporting culture, providing safe, fun and healthy opportunities for Australians of all ages and abilities to participate in a sport that provides unparalleled health benefits.

Rowing is a sport for life, accessible to people of all ages, genders, fitness and skill levels, and currently enjoyed by over 60,000 participants and 25,000 active members ranging from young rowers at school through to those at universities and in the wider community right through to masters rowing.

Rowing Australia member associations operate in seven states with over 185 schools and 156 clubs offering rowing programs.

MESSAGE FROM PRESIDENT OF ROWING AUSTRALIA

On behalf of the Board and Council of Rowing Australia, it is with great pleasure that I welcome athletes, coaches, sponsors, officials, guests and supporters to the 2019 Aon Sydney International Rowing Regatta.

It is a great honour for Rowing Australia to once again host this magnificent event, the pinnacle to the domestic rowing calendar in Australia. We are delighted to welcome teams from across the globe to compete this year, athletes from Japan, Vanuatu, New Zealand, Bangladesh and Hong Kong to name but a few. It will be fantastic to have a variety of local and international rowers in action at the Aon Sydney International Regatta Centre and we hope that everyone competing are warmly welcomed and enjoy the racing and facilities.

The number of events continues to grow at the regatta, when we started in 2013 it was 110 events, while as of last year we had 125 events with over 1600 competitors and over 23,000 spectators attending across the whole week. This year is particularly special, with the Centenary of the King's Cup set to be celebrated throughout the week.

The weeklong competition will of course see both the Australian Open and School Championships, as well as the King's and Queen's Cups Interstate Regatta. The whole of Australia is no doubt very excited to see what the racing holds in the hotly contested Interstate Regatta, which brings out the best in interstate rowing rivalry.

There is plenty happening throughout the week to commemorate the 1919 King's Cup winning crew – including a specially curated exhibition at the back of the Grandstand detailing the history of the 1919 Henley Royal Peace Regatta, the King's Cup and the AIF No. 1 Crew.

This week will also see the launch of Bruce Coe's book, *Pulling Through* – The story of the King's Cup, and promotion of Scott Patterson's film, *The Oarsmen* which tells the story of the 1919 crew. Both of these wonderful initiatives would not have been possible without the support of RA Board Director and historian, Andrew Guerin and the wider community. On behalf of the RA Board and Australian rowing community I would like to thank Bruce, Andrew and Scott for their ongoing commitment to documenting the history of the King's Cup and the Centenary.

We continue to enjoy a strong relationship with our presenting partner, Aon and will continue to develop the Championships further alongside them. With their support, we are hosting a number of initiatives this week, including our Lunchtime Learnings and a Schools' Barbecue.

As always, we thank the NSW Government for its continued support of the event, Hancock Prospecting and our Patron Mrs Gina Rinehart for her significant investment into our sport as well our other event partners including Croker Oars, Tempur and 776BC.

Sincere thanks must also be extended to the Rowing Australia staff for their expertise and professionalism in working tirelessly to organise this highly successful and enjoyable event.

Finally, an event such as the SIRR would simply not be possible without the steadfast support of the army of volunteers whose enthusiasm and tireless efforts epitomise the great spirit of cooperation that exists within the Australian rowing community and beyond. We have had another fantastic year of volunteer sign up this and I thank you all for your invaluable assistance for the pinnacle event in Australia's rowing calendar.

I would like to wish every participant the very best of luck for their races throughout the week and hope all the spectators have a wonderful week watching the competition. I look forward to witnessing some great racing and enjoying the spectacle of the 2019 Aon Sydney International Rowing Regatta.

Rob Scott
President and Chairman, Rowing Australia

FOUR REGATTAS IN ONE EVENT

The 2019 Aon Sydney International Regatta combines four regattas into the nation's premier rowing event - the **King's and Queen's Cup Interstate Regatta**, the **Australian Open Rowing Championships**, the **Australian Open Schools Rowing Championships** and the **Aon Sydney International Rowing Regatta Sprints**. The Australian Open Rowing Championships and Australian Open Schools Championships are open to all competitors who are members of clubs or schools affiliated to Member Associations or members of clubs or schools affiliated to other National Rowing Federations recognised by Rowing Australia. On this occasion we are pleased to welcome competitors from Bangladesh, Hong Kong, Ireland, Japan, New Zealand and Vanuatu.

These events will be conducted over the 2000 metre course in an 8 lane progression of heats, repêchages, semi-finals and finals.

HISTORY OF THE KING'S AND QUEEN'S CUP REGATTAS

THE KING'S CUP (INTERSTATE MEN'S COXED EIGHT)

Inter-colonial racing in eight-oared boats commenced in 1878 when the Victorian Rowing Association invited New South Wales oarsmen from the Sydney and the Mercantile clubs to boat crews for a race on the lower Yarra River over about four miles. Since 1921 the crews have competed for the King's Cup. The trophy had been won by a First Australian Imperial Force crew at the Royal Peace Regatta held in London in 1919 and was provided by King George V and presented to Captain H. Disher on behalf of the victorious crew by Princess Arthur of Connaught. In time, and in against dogged resistance from the Australian War Memorial, the Victorian Rowing Association petitioned the King to express his intention for the Cup, and at his command it became the perennial trophy to be presented to the winning state representative men's eight at the annual Australian Rowing Championships.

THE QUEEN'S CUP (INTERSTATE WOMEN'S COXED EIGHT)

The premier interstate event for women was the ULVA trophy which from 1920 till 1998 was a fours event. The trophy had first been presented by the United Licensed Victuallers Association (ULVA) of Queensland, and is affectionately known as Bertha. In 1999 the women's interstate race was changed to an event for Vllls. In 2003, the trophy became officially known as the Queen Elizabeth II Trophy, or the Queens Cup. The original ULVA trophy remains the perpetual trophy.

THE PRESIDENT'S CUP (INTERSTATE MEN'S SINGLE SCULL)

An intercolonial sculling race between New South Wales and Victoria was first held in 1868 and then annually from 1895 with Queensland also racing. Tasmania has consistently been represented since 1903. South Australia and West Australia have entered scullers with some regularity but not consistently until the 1960s. The first President of the Australian Amateur Rowing Council, Mr E.C. Watchorn, donated the President's Cup in 1925 as the perpetual trophy for the annual Australian Interstate Single Sculling Championship.

THE NELL SLATTER TROPHY (INTERSTATE WOMEN'S SINGLE SCULL)

The first interstate championship for the Women's Single Scull was not conducted until 1963 in Brisbane and has continued annually since that date. The Nell Slatter Trophy was presented by the Queensland Women's Rowing Association in 1963 to be the perpetual trophy for the event as a tribute to the then Queensland President Nell Slatter.

THE PENRITH CUP (INTERSTATE MEN'S LIGHTWEIGHT FOUR)

The Interstate Lightweight Four Championship was introduced in 1958 after a long history of lightweight rowing within Australia. The Penrith Cup was presented to the Australian Amateur Rowing Council in 1958 by the Penrith City Council as the perpetual trophy for the event. The event was the pinnacle of a lightweight oarsman's career until 1974 when the first FISA Championships were conducted.

THE VICTORIA CUP (INTERSTATE WOMEN'S LIGHTWEIGHT QUAD)

The first Women's Interstate Lightweight Four-Oared Championship was contested on the Yarra River in Melbourne on 28th April, 1968. The Victoria Cup, presented by the Victorian Ladies' Rowing Association, is the perpetual trophy for this event. In 1999, the change was made from coxless four to quad scull as most lightweight women's rowing was in sculling boats due to the introduction of an Olympic women's lightweight double scull.

THE NOEL F WILKINSON TROPHY (INTERSTATE MEN'S YOUTH EIGHT)

The first Championship was conducted in Victoria in 1974, and in that same year, the Australian Rowing Council accepted an offer by Noel Wilkinson to provide a perpetual trophy for the event. Noel was a great fundraiser for both Australian rowing teams and Australian Olympic teams. He was also a long serving Treasurer of the Council.

THE BICENTENNIAL CUP (INTERSTATE WOMEN'S YOUTH EIGHT)

A women's youth event was commenced in 1988 (the year of Australia's Bicentenary) in coxed fours. The event became an eight oared event in 1994 due to the continued growth in women's rowing. The Cup was presented by the NSW Rowing Association.

PR3 MEN'S SINGLE SCULL

The PR3 Men's Single Scull (formally the LTA Men's Single Scull) made its debut in the Interstate Regatta in 2016. In its inaugural year it was won by Kevin du Toit of New South Wales. The race results contribute to the overall States' point scores and help to decide who may win the Rowing Australia Cup at the conclusion of the Regatta.

PR3 WOMEN'S SINGLE SCULL

The PR3 Women's Single Scull (formally the LTA Women's Single Scull) made its debut in the Interstate Regatta in 2016. In its inaugural year it was won by Paralympian Kate Murdoch of New South Wales. The race results will contribute to the overall States' point scores and help to decide who may win the Rowing Australia Cup at the conclusion of the Regatta.

HISTORY OF THE KING'S CUP

In 1919, following the end of World War I, the Allied forces were stationed in London, patiently awaiting to be returned home. Sport was a great way to keep the troops healthy and mentally engaged, and in this spirit and in celebration of peacetime, the Henley Royal Regatta ran as the 1919 Henley Peace Regatta.

The blue riband event of the regatta was the eight's race. Two Australian crews raced in this event however, Australian Imperial Force Number 1 beat the competition and took out the prized King's Cup.

After numerous attempts to bring the trophy home to Australia, it was not until King George V through the advice of Winston Churchill finally gifted the trophy to Australia that the Cup arrived down under. From 1922, The King's Cup has been awarded annually to the Interstate Men's Eight Champions of Australia, and has become the most coveted national rowing prize.
