

AUSTRALIAN UNIVERSITY CHAMPIONSHIP  
ROWING  
26 - 28 September 2012

---

Alex Ramsay Rowing Regatta Course  
West Lakes, Adelaide

# WELCOME

---

Australian University Sport welcomes over 200 athletes, officials and volunteers to the 2012 Australian University Games Rowing Regatta. 21 universities will compete for the title of overall champion university and winners of the NSW Centenary Cup.

Delivering such an event as these championships could not be undertaken without key support from Rowing SA. To all their staff, thank you for putting on a great event for our student athletes.

A special thank you goes to the Rowing Advisory Group: Chris Noel, Jane Spring, Nick Hunter, Cameron Stephenson, Peter Kupcis, Patrick Maddern and Garth Lucas. This group has been instrumental in providing valuable advice in relation to these championships. We appreciate the time each member dedicates to this Advisory Group.

To all competitors and coaches: Enjoy these championships and perform to your best. Representing your university is a proud moment and I urge you to savour this opportunity as a highlight of your higher educational experience.

Don Knapp  
Chief Executive Officer

# COMPETITOR INSTRUCTIONS

---

**Team managers meeting:** A rowing team managers/captains meeting will be held at 8.00am on the first day of competition (Wednesday 26 Sept). Each competing university is expected to have a representative at this meeting.

**Eligibility:** Each competitor must satisfy the requirements of the AUS eligibility guideline.

**Substitutes:** In crews (including coxswains), must be advised in writing to the referee on a substitution form prior to competing in accordance with the rules. No change in personnel of a crew is permitted between the heat and the final of an event except on provision of a medical certificate.

**Withdrawals:** Crews or scullers not intending to race must lodge a withdrawal form with the referee not later than 30 minutes prior to the first race of their event.

**Start:** At the start, lane #1 is on the left hand side looking from the start to the finish. The start signal will be by green light and audible sound. The starter will advise the procedure for starting. Crews will be dispatched by the starter after a two minute warning, a role call followed simultaneously by the change in lights from red to green. The umpire's signal to stop rowing will be the waving of a red flag and the starting light system will flash. All crews must be in the starter's control (and must have reported) five minutes before their event.

**Finish:** The first crew to cross the finish line will receive a horn blast, other crews crossing the line will also be acknowledged by the finish horn.

**Finals:** Events will be conducted in the order listed in the regatta program, unless otherwise announced by the regatta commentator.

**Safety and equipment:** Bow balls of an approved type must be securely fitted to the bow of each competing boat; no boat will be permitted to start in breach of this rule. No boat shall carry radio or telephone equipment capable of sending or receiving messages.

**Weigh in:** Lightweight competitors shall be weighed in rowing suits by a duly appointed boat race official not more than two hours and not less than one hour before the advertised starting time of their first race on each day of racing. In the event of lightweight competitors not making weight before their first race on any day of racing, such competitors may weigh-in not more than two hours nor less than one hour before one of their subsequent races on that day. The weigh in will be conducted at Regatta Control at the base of the finish tower.

Due to the timing of the regatta, the lightweight rowers will be allowed to race at the FISA weights plus 5%. Lightweight rowers are restricted to: Men: 76.12kg max (72.5 kg + 5%), and, Women: 61.95kg max (59 kg + 5%). Provided that the average weight of all members of crew (excluding coxswain) does not exceed: 73.5kg in case of men (70kg + 5%); and 59.85kg in case for women (57kg + 5%).

**Coxswains:** Umpires will conduct random checks of coxswains' weight. When instructed to be weighed, crews must immediately proceed to the specified place for the coxswain to be checked. Coxswains must carry sufficient lead or other metallic weight (no water bottles, bricks or sand bags) to exceed the minimum weight when wearing a rowing suit. Coxswains of male crews shall weigh a minimum of 55kgs; coxswains of female and mixed crews shall weigh a minimum of 50kgs.

**Lane (bow) numbers:** Approved lane numbers must be used. They are available for a refundable deposit (\$10 each) from Regatta Control.

**Course closure and training:** The regatta course will be closed to all crews who are not proceeding to the start of their event, 30 minutes before the commencement of each racing session. Crews violating this directive will be awarded false starts or will be disqualified from the regatta. Refer to traffic maps situated around the course for correct traffic flow.

Please do not row to the start of the course or obstruct racing in any way - penalty for breach of the traffic regulations is disqualification. No speedboats (other than those engaged by the regatta organisers for use by the boat race officials) are permitted on the course.

**Coach's instructions:** The footpath at the Alex Ramsay Rowing Course, on the western side of the course is closed for all bicycles during competition. Coaches only may cycle on this footpath during training and are required to wear safety helmets. In the interests of spectator's and resident's safety no bicycle riding is permitted during competition. No coaching boats are permitted.

All rowers/coaches must obey local "noise" regulations. This is a residential area. Please keep noise to a minimum before 7.00am. No power megaphones can be used at any time.

**Presentation of trophies:** Presentation of trophies will take place in front of the Rowing SA Clubrooms following the discharge of the final race by the umpire & judge. Successful competitors should proceed to the assembly point adjacent to the presentation dais immediately following the last race on Friday 28 September. Note: the overall university champion will be announced and presented at the AUG closing ceremony and not at the venue.

**Medical facilities:** Emergency medical care will be provided by Sports Medicine Australia – SA Branch, located within the Rowing SA Indoor Rowing Centre. A sports trainer will be in attendance at all times.

Strapping is available. There will be no charge for this service however athletes must provide their own tape as trainers will not use their own tape for preventative taping and have the right to turn away requests should they be unavailable to undertake this service.

**Fairness committee:** Any decision to postpone or cancel the regatta due to inclement weather or unforeseen conditions will be made by the fairness committee in accordance with the rules. The fairness committee shall be comprised of the regatta Referee, the regatta Competition Manager and the AUS representative.

**Points score:** Championship points towards the Overall Championship Trophy – "NSW Rowing Associations' Centenary Trophy" will be allocated as follows:

| Placing | Eights | Fours | Pairs | Singles | Mixed Eights | Mixed Fours |
|---------|--------|-------|-------|---------|--------------|-------------|
| 1       | 96     | 48    | 36    | 24      | 48           | 24          |

| 9       | 16     | 8     | 6     | 4       | 8            | 4           |
| 10      | 12     | 6     | 4     | 3       | 6            | 3           |
| 11      | 8      | 4     | 3     | 2       | 4            | 2           |
| 12      | 4      | 2     | 1     | 1       | 2            | 1           |

Points allocated for the men's and women's mixed events will be equally divided between the men's and women's overall point score. i.e. 1<sup>st</sup> place in mixed fours will give 12 points to the overall men's point score and 12 points to the women's overall point score.

In the situation of an event being cancelled points shall be allocated:

a) Heats only conducted:

- i. 1<sup>st</sup> place from each heat that qualifies for final A will share 1<sup>st</sup> & 2<sup>nd</sup> points averaged.
- ii. All other places will go to the repechage and therefore will share averaged points based on the number of competitors (see table below).
- iii. Single heat events (straight to final) will have points allocated as above.
- iv. Example: Eights points:

### **NSW CENTENARY CUP |**

*Most successful university overall*

---

The NSW Centenary Cup was donated by the NSW Rowing Association in 1978 to celebrate its centenary. The cup is presented to the university with the highest overall point score at the rowing championships each year.

### **AMANDA YOUNG ROSE BOWL |**

*Most successful university in women's events*

---

Murray Clarke commissioned this trophy to be named in honour of Amanda Young. The University of New South Wales and The University of Western Australia donated the trophy in 1998.

Amanda Young was a member of The University of Western Australia women's eight crew competing at the 1997 Australian University Championship for rowing in Penrith. The day after the championship, a female competitor from The University of New South Wales became ill with meningococcal meningitis. Some rowers who attended the championship were notified and were vaccinated against the disease. A week later Amanda contracted a severe case of meningococcal, and tragically died less than 24 hours later, aged only 18. She had competed at the WA State Championships only the day before her death.

### **DR BILL WEBB TROPHY |**

*Most successful university in men's events*

---

The inaugural presentation of the Dr Bill Webb Trophy was at the 2008 AUS Rowing Championship. The University of Sydney boat club alumni, St Andrew's College and alumni all contributed to this trophy which is awarded for the men's overall champion university at the Australian University Rowing Championships. The silver cup was manufactured in Italy and carries a photograph of Bill Webb on a metallic plaque.

### **KATH SUHR TROPHY |**

*Women's single scull*

---

The Kath Suhr Trophy was first awarded in 1972. Kath Bennett (nee Suhr) has been a crew member, coach and manager at state, national and international level since 1965. Her expertise in administration and coaching has influenced hundreds of girls and women in the sport of rowing.

Kath won the inaugural national women's lightweight single sculling championship in 1968; she was also a member of crew which won the Australian women's four-oared championship in 1969. In 1973 Kath rowed for Australia against New Zealand in the queen's plate series of events.

In 1970 Kath helped form The University of Melbourne ladies rowing club. In the same year she was made a life member of the YWCA rowing club. Kath was made a life member of the Victorian rowing association in 1981, and was involved with merging the VRA and the VLRA into one single body. In 1999 the YWCA rowing club was awarded the rowing Australia "club of the year" achievement award, a testimony to Kath's efforts as a real hands on leader. Kath was awarded life membership of the YWCA Melbourne in February 2000.

## **W D & H O WILL'S TROPHY |**

*Men's single scull*

This event has been contested since 1900 and has been won by some of Australia's most outstanding scullers. W.D and H.O Wills Tobacco Company were sponsors of this trophy when it was first awarded in the early 1900's.

## **AUS Women's Lightweight Single Scull Champion**

The inaugural presentation of this trophy was at the Perth 2010 Australian University Games rowing regatta. This new trophy is proudly supplied by Australian University Sport.

## **JANE SPRING TROPHY |**

*Women's double scull*

The Jane Spring trophy was first presented in Adelaide in 1992 and was won by Jane's club, The University of Sydney.

Jane Spring was an outstanding rower for The University of Sydney from the mid 1980's until 1990. Jane was badly injured in a car accident a week after winning the lightweight double scull and coming second in the lightweight single scull at the Australian Rowing Championships in March 1990. Jane has represented NSW in the lightweight four and also represented NSW in wheelchair basketball following her accident.

Over the years, Jane has been heavily involved with university sport, as a national university sports coordinator for rowing and also organising university rowing challenges between Australia and New Zealand.

Jane has remained heavily involved in rowing, being president of The University of Sydney women's rowing club from 1986 until 2010, involved in The University of Sydney women's sports association management committee and is also currently a vice president of NSW Rowing Association.

## THE DELFIN TROPHY |

*Men's double scull*

---

This event commenced in 1992. Whilst the trophy has been missing for many years, the event is hotly contested at each championship.

## THE CHALLENGE TROPHY |

*Women's pair*

---

Mrs Anne Ellison of Sydney donated this trophy for perpetual competition in the women's pair oar event. It was first presented at the 1969 women's rowing intervarsity, hosted by Western Australia.

Interest in rowing for Mrs Ellison was a result of her daughter, Anne's, involvement in the sport at university. One of the foundation members of The University of Sydney women's rowing club, Mrs Ellison both managed and rowed in the 1969 Intersarsity in Perth and was a member of the successful fours and also won the sculls.

Anne also was a member of the winning four at the 1971 IV held in Sydney. In 1971 and 1973 she represented NSW in the Australian championships as a member of the women's lightweight four. On both occasions NSW won the event. In 1973 Anne was selected to represent Australia in a lightweight women's four in the queen's plate event, a perpetual trophy competed for between Australia, New Zealand and Great Britain.

She has a university blue in rowing and has been on the management committee and blues committee of the SUWSA for many years. Anne is also a former vice president of the NSWWRRA and has been a member of the SUWSA rowing club since 1967.

## CARLTON & UNITED GOBLETS |

*Men's pair*

---

This event commenced in 1969 and has gained momentum as an important event in the rowing program. Initially it was viewed by some as an event for the emergencies for the eight but has emerged as a quality event in its own right. This trophy has been missing for many years.

## WOODCHOPPERS' INN TROPHY |

*Women's lightweight quad scull*

---

This event commenced in 1978 as a lightweight four event but was changed in 2004 to a quad scull event as has occurred at the national and international levels.

## THE NOLAN TROPHY |

*Men's coxed four*

The Nolan Trophy will be presented for the first time in 2012 to the Australian University Rowing Men's Coxed Four Champions. The new trophy is named for the late Perry Nolan AM 1945-1993 who is described on the trophy as "Distinguished oarsman for South Australia, Adelaide University Boat Club, Australian National University Boat Club and Australian Diplomat". During the 1960s Perry Nolan was a leading oarsman in South Australia at school and university and represented his State at national level. In the 1970s he joined the Diplomatic Service in Canberra and played an active role rowing and coaching at the ANU. In 1985 Perry Nolan was awarded an Order of Australia for public service. The award particularly recognised his bravery and leadership in charge of the Australian Embassy in Beirut during the Lebanese civil war of that decade. The Nolan Trophy has been donated by fellow oarsmen from both the Adelaide University and ANU Boat Clubs.

## SIR FRED SCHONELL TROPHY |

*Men's lightweight four*

The lightweight four was introduced in 1963 and it was the first time there was a third category for rowing. Prior to 1963 there was only men's single scull and men's eights in a rowing regatta.

Sir Fred Schonell was the first vice-chancellor of The University of Queensland. The main road leading into the university is named Sir Fred Schonell Drive in his honour, as is the Schonell theatre at the university. In 1950, Fred Joyce Schonell was appointed as The University of Queensland's foundation chair of education. In 1952 Sir Fred Schonell founded the "Fred and Eleanor Schonell special education research centre" (as it was renamed in 1970). It is the pre eminent centre for research and teaching in special education and disability in Australia. Sir Fred Schonell died in 1969.

## LADY MARGARET CUP |

*Women's coxed four*

This trophy was donated by Professor Godfrey Tanner (Professor of Classics) from The University of Newcastle. Professor Tanner was a long time patron of intervarsity women's rowing. This trophy was first presented at the inaugural women's intervarsity rowing regatta in 1968.

Lady Margaret Beaufort (of whom this trophy was named after) was the mother King Henry VII. She devoted herself to many pious endowments, including God's House, now Christ College in Cambridge. In 1511 Lady Margaret transformed the St John's hospital into the college of St John the evangelist.

Intervarsity rowing on the River Cam began in the 1830's and because the cox of another crew was killed by the bow of a St John's boat in a bumping race, St John's Boat Club was forbidden to compete. St John's boat club thereupon reformed itself as the Lady Margaret boat club, and has the scarlet blazers, scarves and rowing singlets, which are the most vivid feature of regattas on the Cam.

## PROFESSOR GODFREY TANNER CUP | *Women's eight*

---

Godfrey Tanner donated the cup, circa 1979, for women's rowing when he was vice president of the Australian University Sports Association (AUSA) to promote rowing and in keeping with his love of the sport. Godfrey was a professor of classics at The University of Newcastle. He retired from the university in November 1992 but continued to do research work and some teaching in areas of his special expertise until his death in 2002.

Professor Tanner was awarded honorary life membership of The University of Newcastle sports union in 1967. Professor Tanner was president of The University of Newcastle sports union from 1970 to 1973. He is a former AUSA vice president (elected position 1979 – 1982). Professor Tanner was appointed vice patron in 1987 and vice president (honorary) 1988 – 1990.

Professor Tanner was responsible for starting the rowing club at The University of Newcastle in 1962. He helped to draft a constitution for the club and more significantly donated a regulation four and a tub pair to the newly formed club. He is best remembered for being the most generous benefactor of a group of trustees who purchased a wharf side building at Raymond Terrace. The building was donated to the university in 1966 for use as a rowing shed by The University of Newcastle boat club, a historic building still in current use by the club. The university council named the building the "Godfrey Tanner Aquatic Centre" in October 1992. Professor Tanner was president of The University of Newcastle boat club until early 1980s. He was made patron of the club in 1986.

## OXFORD AND CAMBRIDGE CUP | *Men's eight*

---

Old blues of Oxford and Cambridge universities donated the magnificent silver trophy in the early 1890's as a challenge cup to be rowed for annually by the universities of Sydney, Melbourne and Adelaide. It is believed to have first been awarded in 1893.

The trophy was organised by an old Etonian, the Honourable Mr Edmund Vane, who had contacted presidents of both Oxford and Cambridge university boat clubs (both of whom were old Etonians). It is recorded that "*the idea was accepted by them with alacrity*" and both were "*proud of the opportunity afforded them of showing their brotherhood, goodwill and interest in the welfare of their kinsmen in the antipodes*".

The cup has scenes of both Cambridge and Oxford engraved on the sides, pictures of rowing along with floral emblems of the countries of England, Scotland and Wales. The craftsmanship would be difficult to reproduce. The angel on the top is pictured in the traditional pose of the toast to rowing. This long standing and traditional toast is afforded the winners of the Oxford and Cambridge challenge trophy.
